

Lexus Personalized Settings

Your vehicle includes a variety of electronic features that can be programmed to your preferences. Programming of these features is performed once at no charge by your Lexus Dealer provided you obtain the service at the 6 month/5,000-mile scheduled maintenance service.

It is also possible to customize certain vehicle features yourself using the "DISP" switch.

Vehicles without Navigation system:

STEP 1

Press the switch several times until the SETTINGS screen appears. Press and hold the switch to display the customize mode screen.

STEP 2

Press the switch again and highlight VEHICLE from the list. Press and hold the switch to view the customization options.

Please refer to the 2011 CT 200h Quick Guide, or Owner's Manual for more information on how to operate the "DISP" switch.

Vehicle must be in "ON" mode to program personalized settings.

		Settings that can be customized by:
